

PUBLIC INPUT NEEDED

MN 220 N Corridor Study Public Open House

The Grand Forks-East Grand Forks Metropolitan Planning Organization (MPO) MnDOT, and the City of East Grand Forks is preparing the MN 220 N Corridor Study. The objective is to:

- Identify and address current and projected transportation issues associated with the study area.
- Develop a document which will provide recommendations for future transportation facility needs along Mn220N and its crossroads.
- Address a variety of transportation related concerns associated with the study area.

The public is encouraged to attend the Open House to provide input and feedback on the MN 220 N Corridor Study. Information can be found at
