MPO Staff Report

Technical Advisory Committee: April 10, 2019

MPO Executive Board: April 17, 2019

RECOMMENDED ACTION: Recommend the approval of draft FY2020-2023 MN Side TIP to the MPO Executive Board,

Matter of the Draft FY2020-2023 MN side TIP.

Background: Annually, the MPO, working in cooperation with the state dots and transit operators, develop a Transportation Improvement Program (TIP), which also serves as the transit operators' Program of Projects (POP). The TIP covers a four period and identifies all transportation projects scheduled to have federal transportation funding during the four year period. The process runs over an eleven month period with several public meetings ranging from solicitation of projects for specific programs and comments on listed projects. This point in the process is the documenting of the draft TIP.

The Minnesota side of the draft TIP has been cooperatively developed. The North Dakota side is still pending this cooperative process. The public hearing is scheduled for April 10th TAC meeting. Written comments are due by noon April 10th.

The TAC and MPO Executive Board will be requested to adopt the MN side draft TIP for 2020-2023.

Findings and Analysis:

- The projects listed are consistent with the MPO's Long Range Transportation Plan.
- The projects listed are consistent with the draft MN draft ATIP.
- The projects have identified funding and therefore the TIP is fiscally constrained.

Support Materials:

- Copy of draft 2020-2023 MN side TIP Submitted to Public Comment
- Copy of Public Notice
